

February 2014

Dear Parents and Guardians,

The School Council has maintained it's policy of keeping costs to a minimum.

Booklist for 2014 will be \$130-00 per student.

This week children were issued with a range of school supplies essential for this year's classroom work. Bulk purchasing has allowed us to buy at the cheapest costs possible. To minimise our costs, some items are provided as class sets.

We ask you to assist the school by paying the indicated fee as soon as possible. Official school receipts will be issued for all payments. The school also operates BPay and EFTPOS facilities for your convenience.

Yours sincerely,

Rebekah Clarke
ACTING PRINCIPAL

Parents are reminded that an **art smock** (or an old shirt in senior classes) is required for Art lessons.
