GRADE 6 PRODUCTION: THE ALMIGHTY SWORD

Dear Parents/Students

The DVD that showcases the Grade 6 performance of “The Almighty Sword” is now ready for sale. The DVD has the complete day performance, plus the speeches at the end of the night performance and the extra “Nutbush” dances that the students performed. This is purely amateur production (“Take A Gamble Studios”), but has come up really well – the students have seen the performance video that is included and were very happy. **If you would like a copy please enclose \$5 for each copy and the order form below.**
