

Welcome to ClassDojo!

Our school's communication, engagement, and social-emotional learning
all in one place

Everything our teachers and students ❤️ in one place

Create a school community

Your entire school
comes together in one
secure space

Connect with every family

Families stay deeply
connected to the
classroom and school

Engage students

Students participate in
your classroom community
even when remote

Once your child is enrolled, you will receive an invitation to join our class dojo. This is the main communication method between our school and our parents/guardians and allows everyone to keep up to date with important transition dates and information.
