## School Review

This week we have participated in the last 2 days of our School Review where our Reviewer and our Challenge Partners had conversations with teachers, ES staff, students and community members. The information gathered will form the basis for the next Strategic Plan. I would like to thank our fantastic community for their valuable feedback. Staff are excited to set the strategic path for the next 4 years to ensure as a school we continue to improve teacher practice and in turn, improve student outcomes.

## Retaining Wall

It is great to see that our retaining walls are finally being replaced. Work has started on the walls around the oval and next week will begin on the walls around the year 6 playground. The oval will become muddy, however the scope of works state that the oval will be reinstated after the work on the walls is completed. Students will be able to use the far side of the oval but must stay away from the work area.

## Update – Education Week

All students have been working on their ART work for their personal box as well as writing their story about ART in class. The boxes will be finished this week for displaying next week.

## Give a Little – Change a Lot: Celebrating You – Our Volunteers

At the same time as parents volunteer their time and energy through the formal school structures, such as School Council and PACH, we also recognize that many of our parents and friends support our school informally. This week the HPS staff and the school's PACH wish to acknowledge you all. You, our parents and friends continue to contribute to our vibrant and happy school culture in so many ways. The list is endless. From assisting with shelving library books, working in the canteen, making food, supporting classrooms, listening to a child read, going on excursions, wiping tables, flipping a sausage, going to a sports event, attending meetings, getting our FETE organised, showing up at assembly, picking up school jackets in the yard ... and the list goes on.

Thank you for making a significant impact across our school and school community.

Parents and families play an important role in supporting their child's education. Research has shown that when schools and families work together, children do better, stay in school longer, are more engaged with their school work, go to school more regularly, behave better, and have better social skills.

No wonder we have such a great school!

# The Wellbeing Corner

With Penny

## Welcome to another week inside the Wellbeing Corner!

This week we continue with the theme of fun activities to do with your child. We have looked at eating a meal together at home (or at a restaurant) and playing board games. Another great activity to do with your child(ren) is to play a game outside or do a job together outside.

Both of these activities involve being outdoors, which is refreshing and provides a different environment in which to spend great quality time together.

You can decide whether to play a game (such as basketball, skateboarding, trampoline, kicking the footy or playing backyard cricket) or to do a job such as mowing the lawn, chopping wood, doing some planting and gardening or cutting back trees. Maybe you have bikes that you can ride together. There are many options here.

The point of it is that you are doing it with your child, showing them that you enjoy spending time with them and having fun. It is a bonding time, connecting through shared endeavour and you can take the opportunity to talk and catch up with what is happening in their world.

Have a great week,

## The new childcare subsidy, and what it means for you

On the 2nd of July, the Australian Government will transition to a new Child Care Subsidy (CCS). This will replace the existing Childcare Rebate (CCR) and Childcare Benefit (CCB).

There are a number of key changes that families who rely on childcare before and/or after school need to know, including:

- Any benefit will be paid directly to child care providers (like Camp Australia), who will then only bill the 'gap' amount to families.
- There will continue to be hardship relief.
- For families earning less than \$186,958, there will no longer be an annual cap on the amount of subsidy you can receive. For families earning between \$186,958 and \$351,248, an increased annual subsidy cap of \$10,000 per child will apply each year.

If you'd like to know what percentage of your Childcare costs you can claim back through the Childcare Subsidy, check out the simple Family Childcare Subsidy Estimator at <https://www.education.gov.au/sites/education/files/chcare/est/index.html>

We look forward to seeing you and your family soon.

## Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Healesville PS is excited to be participating. The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 7 September 2018.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll. If you would like your child's name to appear on the Honour Roll, please sign the attached form and return it to your school.

**If you would like your child's name to appear on the Victorian Premiers' Reading Challenge online Honour Roll, please sign this form and return it to your school.**
