

## Parent Helpers for Grade 6 Production!

Dear Parents,

As I'm sure you're aware, our Grade 6 Production "The Almighty Sword" is in full swing. All the children have done a great job of learning their lines and we have all been working hard – it really started to show in our last rehearsal. The excitement is building, and time is now pressing (the performance is October 24<sup>th</sup>). Now it's your chance to help out! The play won't be a success without the support and help from many of you! **The areas that parent help is required are as follows:**

- **Costumes** – making our (simple) costumes. Designing, Sewing, sourcing of material, etc
- **Ticketing** – we are doing our own ticketing, so this is a vital role.
- **Ushers**
- **Programme makers**
- **Make-up**
- **Treasurer**
- **Props** – we need three things in particular:
  - A sword that has flashing lights, etc
  - An cooking pot (iron or aluminum) pot with handles
  - Small camping stools - we need 18 of these 

We are planning on having a short meeting in the last week of this term with all helpers to make sure that all the balls are rolling before the holidays.

If you can assist with any of these please get your child to return the slip below to their teacher.

Thanks very much,

Tom, Marlene, Meagan, Fenna.
