POLICY

1. School profile

Healesville Primary School (pop. 220) is located on a sloping, treed, 2-hectare site nestled at the base of the Eastern Ranges, in close proximity to the main business centre of Healesville.

The school (established in 1866) is very proud of its history and contribution towards education and the community of Healesville. We celebrated our 150th birthday in October 2016. The Healesville area has strong historical links with its Koorie population. As a school, we celebrate the diversity of our heritage.

Healesville Primary School continually aims to provide a friendly, safe and purposeful environment in which students value respect and enjoy learning together as part of a community of learners. The ever-present helpers and open and friendly communication between teachers, children and parents is a strength. We endeavour to provide an atmosphere that is stimulating, meaningful and in which all students can experience success. This is achieved by providing a curriculum that caters for the individual learning needs of students, where students, parents and teachers work together as partners in education. Healesville Primary School endeavours to be a community school at all times and encourage strong communication, especially between home and school. Our children participate in the town's cultural activities
